Certificate of Software Accreditation

Social Value International hereby acknowledges that

Social Value Engine

enables a user to capture the information required to complete a Social Value analysis in line with the framework for accounting for value (Value Map) which is used to facilitate the application of the Principles of Social Value.

The accreditation process seeks to assess whether or not software demonstrates a satisfactory understanding of, and is consistent with, the Principles of Social Value.

Status is valid for two years and will run for the period:

11/01/2025 – 11/01/2027

Signed
